

Design your very own chocolate bar with the Make-a-Bar Chocolate Factory Design App!

App Features

Creating Your Design

Using Stencils

1. Click on the 'Stencils' icon to use a pre-made design
2. A pop up will appear
3. Click on the stencil you would like to make
4. The stencil will appear on your canvas
5. Want to change your stencil? Just click the 'Stencils' icon to reopen the pop up

Drawing Your Own design

1. Click on the 'Draw' icon to draw your own design
2. Hover the cursor over your canvas and the drawing hand will appear
3. Click and hold to draw your design

Using Text

1. Click on the 'Add Text' icon to create words
2. A pop up will appear
3. **FONT:** select the font for your text from the drop down menu
4. **CHOOSE SIZE:** choose the size of your text from the drop down menu
5. **ADD WEIGHT:** choose the thickness of your text from the drop down menu
6. **ROTATION:** Choose the direction of your text from the drop down menu
7. Type your text in to the box provided
8. Once you are happy, click 'Add to Canvas'
9. Click on your font and drag to position
10. Once you're happy, click the tick at the top of the canvas
11. Want to edit your text? Just click the 'Add Text' icon to reopen the pop up

Get Creative

You can use all the design tools at the same time so get creative and mix the stencils, drawing and text tools together for really unique designs!

Using the Eraser Tool

Made a mistake or want to alter your design? Then use the Eraser tool!

1. Click on the 'Eraser' icon
2. Hover the cursor over your canvas and the eraser hand will appear
3. Click and hold to erase lines from your design (the eraser can be used on all design tools)

Using the Trash Tool

Not happy with your design and want to start over? Then use the Trash tool!

1. Click on the 'Trash' icon
2. And your design will disappear!

Saving and Printing Your Design

Saving Your Design

1. Click on the 'Save' icon
2. This will open a new window with a preview of how your design will look printed
3. Right click on the page and select 'Save As'
4. Choose the folder you would like to save your design in and click 'Save'

Emailing Your Design

1. Click on the 'Email' icon
2. A pop up will appear
3. Enter your name and email address
4. Click 'Send'

Printing Your Design

1. Click on the 'Print' icon
2. This will open a new window with a preview of how your design will look printed
3. If you are printing any text the writing will appear reversed so it is the right way round on your finished chocolate bar
4. Right click on the page and select 'Print'
5. Select your print options and click 'Print'

Sharing your design on Facebook and Twitter

1. Click the 'Share' icon
2. A pop up will appear
3. Select either Facebook or Twitter
4. Following the instructions on how to post your design
